# 1. Company Background

C Health Food Technology Inc. (CHF) was established in Kingston, Ontario, Canada in 2021. It focuses on the research and development, production and sales of fresh potato powder series foods. The company The main products are “Taste of Home” brand hot pot fresh noodles, potato fresh noodles, potato jelly, chili oil, Udon, Pasta-like and other series of products.

In 2023, CHF was shortlisted for the "Innovation of Newcomer Entrepreneurs Award" organized by the Kingston Economic Development Board.

**Hot Pot Noodles:** Chewy and quick to cook wide noodles suitable for hot pot, known for their flavor and resistance to overcooking.

**Potato Fresh Noodles:** Smooth and chewy medium-fine noodles, ideal for a variety of dishes, with the added benefit of being fat-free.

**Potato Jelly:** Cool and refreshing jelly cubes made from potato starch and mung bean flour, perfect for cold salads.

**Fresh Chili Oil:** A spicy condiment made from Canola oil and Chinese-style chili peppers, packaged for convenience and freshness during storage and transportation.

## 2. Production and QA

The company's production facility is situated at 53 Yonge St. in Kingston, ON. Spanning approximately 4,000 square feet, this site boasts designated areas for raw material storage, weighing, automatic cleaning and disinfection, cooking, packaging, cold storage, and a specialized elevator.

**Key Personnel:** Our main operators are certified Food Handlers with extensive experience in food processing, including two years of work in the production of local infant formula milk powder in Canada.

**Key Equipment:** We utilize state-of-the-art equipment, including automatic layering, boiling, and cooling systems, as well as fully automatic roll film packaging and coding equipment capable of handling 60 to 150 packs per minute.

**Quality Ingredients:** Our raw materials are sourced from Europe, featuring high-quality potato starch and Canadian Canola Oil.

**Quality Assurance:** Our production strictly adheres to the HACCP system for production management. We conduct batch inspections and arrange third-party inspections every six months to ensure top-notch quality. Additionally, our company provides product and equipment liability insurance coverage for both equipment and operators.

# Marketing

We are proud to be a certified supplier to T&T, a supermarket brand under Loblaws. Additionally, we supply our high-quality products to over 20 other Asian supermarkets across Ontario .
